Unseparated Material - **\$0.12/lb. = \$240/ton**

Not Accepted

- Anti-freeze
- Hazardous waste
- Medical wastes
- Explosives including gasoline & ammo
- Sewage & Septic Tank residue
- Asbestos
- Dead animals

(see Manager for
further advice)

Our town must pay haulers and then pay 'tipping fees' at regional landfills for most of the Municipal Solid Waste (MSW) and Construction & Demolition debris (C&D) that we generate. Recyclables offset some of this cost. Our goal is to minimize our solid wastes and through proper separation, recycle more than 65% of our town's waste. **You can help keep Harpswell beautiful and help lower your taxes!!!** Recycle—you can make a difference.

The Harpswell Recycling Center staff:
