

Town of Harpswell  
Code Enforcement Office  
**NOTICE**

**Property Owner:** The structure is their residence and they shall personally purchase all material and shall personally perform all of the necessary work.

**Licensed Persons:** All work shall be performed by that licensed person or person duly licensed and directly in their employ.

-By signing this application the applicant signifies they are legally entitled to obtain this permit and also recognizes their responsibility for the following requirements:

-Assuring that all plumbing work will be installed in accordance with the Maine State Plumbing Code.

-Notification to the Local Plumbing Inspector of work to be inspected 24 hours prior to the inspection.

-No plumbing shall be concealed prior to being inspected and approved.

-Any plumbing concealed before approved shall be uncovered prior to the inspection.

-All new work shall be air tested or water tested at the time of the rough-in inspection.

-If the plumbing work does not pass inspection and a second inspection is needed, a re-inspection fee will be required prior to that inspection. The cost of the re-inspection shall be \$20.00.

-A final inspection notice is required when the plumbing work under the permit is complete. No plumbing shall be used until final approval has been obtained.
