

Town of Harpswell

Planning Office

P.O. Box 39

Harpswell, ME 04079

June 2015

Dear Harpswell Resident:

Harpswell Adopt-a-Road and Beach Program Volunteer

It's that time of year again when the Adopt-a-Road and Beach Program asks our residents for help in keeping our roads and beaches clean of debris.

You have previously shown interest or have volunteered your time and efforts in this endeavor and we would like to encourage you and others to contact us at the Town Office so we may send you important forms and information. You may adopt a specific road and/or beach to clean or help wherever you feel the need. The Adoption Agreement and Participant Release Assumption forms must be signed by the volunteer and returned to the Town Offices either by mail, in person or email. You will be given a "Proof of Participation" card for the Recycling Center to accept any debris or trash. Also, your name will be added to the list of volunteers on the Town's website.

The Adopt-a-Road and Beach Program encourages residents to become involved with the goal of keeping our town clean and neat for residents and visitors alike. Thank you in advance for your time and interest in keeping Harpswell clean and attractive for all.

If you have questions, please do not hesitate to call me at 833-5771 or Burr Taylor, who serves as Program Coordinator and is a member of the Town's Conservation Commission, at 725-2802. The above mentioned forms can also be obtained on the Town's website at www.harpswell.maine.gov
