

## Harpswell Energy Committee

Jan. 14, 2014 Minutes

Chairman John Monaghan called the meeting to order at 4:25 PM at the Harpswell Town Office Building. Committee members present: David Chipman, Dan Huber and John Monaghan.

- A. The June and November minutes were reviewed and accepted with the notes corrections.
- B. John noted that the committee's report for the town meeting was due the end of the month. Activities that the committee was involved in were discussed including teaching the energy course for the 5<sup>th</sup> grade class, the solar array at the band stand, etc.
- C. Teaching a scaled back energy class to the 5<sup>th</sup> grade was discussed. It was agreed the number of the classes could be consolidated to six classes and there is interest by the committee to do some teaching. John to review this with Abbey.
- D. Possible Energy projects were discussed by the committee
  - a. John has received some data for the town office building and will prepare a graph.
  - b. Dave will follow up with the tower owner about the cost of placing the wind meters on the communications so the committee can discuss it with the selectmen
  - c. The plug load study was discussed and performing it on a Thursday evening while meetings are in progress is recommended. John to discuss this with Kristi
- E. Dave will contact the key individuals at the town hall, transfer station and TV station about energy improvements they are interested in for their buildings.
- F. The proposals for the TV station boiler replacement were reviewed and John will prepare a spread sheet for the committee to review so a recommendation can be made

Next Energy Committee Meeting-2/11/2013 @4:30pm  
Meeting adjourned @ 5:30pm.
