WHEREAS, on March 18, 2020, the Chairman of the Board of Selectmen proclaimed a civil state of emergency pursuant to his authority under Section 6 of the Town’s Emergency Management Ordinance;

WHEREAS, Sections 6 and 8 of the Town’s Emergency Management Ordinance grant the Board of Selectmen broad authority to promulgate such regulations as they deem necessary to protect public health, safety, and welfare in times of “disaster,” (which term is defined to include epidemics under section 2 of the Emergency Management Ordinance);

WHEREAS, on March 23, 2020, the Town’s Board of the Selectmen of issued an “Order Extending State of Emergency” until the Governor terminates the state of emergency, unless further extended by the Board of Selectmen;

WHEREAS, the Town of Harpswell has a significant year-round population of older adults and is also a popular tourist destination for visitors and individuals occupying seasonal accommodations, lodging and residences, which together heighten the risk of community spread through public contacts among residents and visitors,

WHEREAS the closest hospital to the Town, Midcoast Hospital, has only eleven (11) ICU beds, which will quickly become overwhelmed as COVID-19 cases rise; and
