

Quick Reference Guideline to the Town of Harpswell Shellfish Ordinance for April 2022 - March 2023 Shellfish Licenses

- Each person must obtain a license from the Town Clerk's Office and the license must be on the person while digging
- Minimum clam size requirement: **2 inch**
- Minimum quahog size requirement: **1 inch (hinge width)**
- Minimum European oyster size requirement **3 inch** in the longest diameter
- Minimum razor clam size requirement **4 inch**
- Maximum amount of shellfish:** The license entitles the holder to dig, take and possess no more than one peck of soft-shell clams or one peck of quahogs or one peck of American oysters, or one peck of European oysters or one peck of razor clams or a combination of shellfish per day for personal use.

False information on a license application is a violation
Applicants must notify Town Clerk of any address change within 10 days
1 Pecks = 1/4 Bushel = 2 Gallons = 8 Quarts

Clam-flats and coves may be closed for the taking/possessing of shellfish periodically for any of the following reasons:

CLOSURE:

Pollution: Contaminated due to animal or human fecal coliform bacteria.

Conservation: Due to efforts to replenish or re-seed an area.

Red Tide: Dangerous paralytic shellfish poison caused by algae that contains this toxin. Toxins affect humans by paralyzing the central nervous system, and, in high doses can cause death.

Rainfall: Due to a substantial amount of rainfall received.

Seasonal: Regulated by marine resource committee and D.M.R.

-Refer to shellfish ordinance for rules and regulations.

- **Recreational licenses are not available to or valid for, holders of a State of Maine Shellfish License.**
