

**TOWN OF HARPSWELL REQUEST FOR PROPOSAL
WINTER SAND**

The Town of Harpswell is accepting sealed bids for winter sand and delivery (see specifications below) during the 2020-2021 winter season. Sealed bids must be marked “Winter Sand” and received by the Town no later than 4:30 p.m., Wednesday, October 28. Bids will be opened by the staff. Bids must be submitted on the bid form below. The Town of Harpswell reserves the right to reject any and all bids. Any questions concerning the specifications should be directed to Road Commissioner Ron Ponziani, 837-7744.

Specifications for Winter Sand

- 2000± cubic yards
- Passed through 3/8 screen
- Pit must be identified as where sand is coming from.
- The sand shall be of a coarse nature with little fine and no clay mixed.
- Delivered to Salt Shed at Community Drive near Transfer Station
- Deliveries will be randomly inspected by the Road Commissioner to ensure quality and quantity
- Delivery dates to be determined by the Road Commissioner based on needs of the Town.
- Deliveries upon request by the Town and delivered within 48 hours of Town’s request
- The Road Commissioner shall have final say as to whether the delivery meets the Town’s requirements.
- Slips will be required to be submitted to the Town for all deliveries.
- The Town reserves the right to weigh deliveries.
