New Business Discussion:

1. Chuck Perow reviewed the Manager's Annual report numbers with us. Volume was down slightly for the year, and the expectation for next year is more of the same.
2. Chuck review the cost structure from Casella and discussed how quality might impact this. Lots of variables.
3. Re-use programs were discussed but saw no reason to re-institute this effort based on past experience.
4. Voted unanimously of all present to accept and send to BoS an updated Mission Statement: Chuck to forward to Select Board.

Updated Mission statement:

The Harpswell Recycling Committee shall provide informed advice and counsel to the facility manager to assist in developing recommendations, strategies, and projects to improve the operation of the Recycling Center and Transfer station. The committee will work with the Select Board, Town Planner, other town committees, and other available resources as coordinated through the Town staff whenever appropriate.
