Meeting called to order: 4:04

Approval of Minutes from 22Feb23 meeting.

New Business Discussion:

We discussed the details of the upcoming John Gilliam Day activities. The poster prepared by Gina Caldwell was revised to include the corrected date and that pizza would be available to volunteers at the Grange Hall at 12:00pm. Dave suggested that we continue the process established in prior years and not try micro-manage the process.

Gina & George will edit the EPR letter to simplify, eliminate redundancies, and emphasize that we prefer for tonnage be used as the metric for quantity and keeping the process simple for participating municipalities. They will forward revised letter to Kristi for town editing and then forwarding to the appropriate committee and to send a copy to our state legislators Cheryl Golek and Mattie Daughtry.

Bob and Chuck will work together to update the Comprehensive Plan Update for Recycling related material. They will circulate their work to the committee before the next meeting for discussion at that meeting.
