

Cable Advisory Work Group - Aug 5th 2021 Minutes

These are the minutes for the meeting of Harpswell's Cable Advisory Work Group held August 5th, 2021 at 1:30PM in Harpswell's Town Office. Attending the meeting in person were Kristi Eiane, Jane Covey, Donna Frisoli and Peter Lieberwirth. Tony Vigue participated by phone for the latter part of the meeting.

Peter Lieberwirth enthusiastically volunteered to take minutes for this meeting.

The meeting was called to order at 1:34PM and the minutes from the previous meeting were accepted.

The meeting was devoted to reviewing the most recent draft Ascertainment Report in detail. The group accepted Kristi's suggestion to review the draft without Tony Vigue and then add him to the meeting by phone to answer any questions that arose during the review.

The group reviewed the draft Ascertainment Report in great detail. Each item was discussed and any changes needed were noted. Questions for Tony were noted as well.

The group then added Tony to the meeting by phone, and Tony addressed the group's questions. Tony also provided an update about the status of a recent court case appealing a cable regulation ruling.

The group agreed that more work is necessary to complete the equipment lists that will be incorporated in the Ascertainment Report.

The next meeting of the Work Group will be on August 12th at 1:30PM at the Town Office unless otherwise noted.

The meeting was adjourned at 3:05PM.
