

Cable Advisory Work Group - Oct 26th 2021 Minutes

These are the minutes for the meeting of Harpswell's Cable Advisory Work Group held October 26th 2021 at 3:00PM in Harpswell's Town Office. Attending the meeting in person were Kristi Eiane, Jane Covey, Donna Frisoli and Peter Lieberwirth.

Peter Lieberwirth recorded minutes for this meeting.

The meeting was called to order at 3:00PM.

The group discussed the details of the quote provided to HCTV to upgrade certain equipment.

The group discussed the two quotes received by the Town for upgrading the Meeting Room to support hybrid meetings and also any upgrades needed for the media control room. The group raised questions about whether the quotes adequately addressed whether outdated equipment needs to be replaced in the media control room. The group agreed to inventory the equipment and contact the vendors to review the quotes in light of the concern about some of the media control room equipment possibly being out of date.

The group brainstormed approaches for structuring the Comcast request, including the availability of HD on HCTVs broadcast. A question was raised about the impact of upgrading to HD for the channel carrying Brunswick's feed.

The next meeting of the Work Group will be on November 9th at 3:00PM at the Town Office unless otherwise noted.

The meeting was adjourned at 3:58PM.
