

Town Lands Committee Mission Statement

The Town Lands Committee shall be stewards to the Town lands and landings, right-of-ways, and islands. The Committee's mission is to ensure Town-owned lands remain viable for current and future generations by monitoring, documenting, and working with the Selectboard, Town administration and other committees on improvements as necessary. The Committee shall oversee the Stewards of Town Lands and review and provide suggested actions to the Town as necessary. In addition, the Committee shall strive to promote public awareness, use, and respect for Town lands

Each Town Committee shall adhere to the Committee Guidelines as revised from time to time and attached here.
