

## **Fire and Rescue Planning Committee**

### **Minutes of Monday, June 5, 2017, 6pm**

**Members present:** Kevin Johnson, Co-Chair; Ben Wallace, Co-Chair; Allan LeGrow, Dave Mercier, Jonathan Burbank, and Gail Hart

**Staff present:** Marguerite Kelly, Treasurer; Kristi Eiane, Town Administrator; Chuck Perow, Recycling Center and Transfer Station Manager

Manager Perow had many constructive comments about the building process and expressed appreciation for being invited to participate in the discussions. He wanted assurance that his comments and concerns would be taken into consideration during the planning process. He noted the need to have separation between the RC/TS site and Emergency Services building as he needs to be compliant with state regulations that require his facility to be off-limits after hours. The Committee indicated they welcomed his participation and would certainly take his concerns into consideration throughout the process.

The Committee reviewed the proposed draft agreement with G-P dated June 2 (attached). The Committee had a slight modification suggested to the proposed work scope with G-P. The agreement will be scheduled as an agenda item on the June 8, Selectmen's Meeting.

Administrator Eiane noted that the Fire Administrator hiring process is likely to come to a conclusion very soon.

The meeting adjourned around 7pm.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Kristi K. Eiane", with a long horizontal flourish extending to the right.

Kristi K. Eiane, Town Administrator
